Sheer filth, for the readers, from the readers...

DEAR MENSWORLD

My best girlfriend can be so flaky sometimes. Once, she asked me to sort her out with a blind date, only to leave me sitting in a pub with my boyfriend Glen and his mate, Tom, because now she'd found a bloke all by herself. Tom joked that he should claim a 'consolation fuck' from me if he wasn't getting a girl of his own.

"Well, maybe just a blowjob," said Glen.

He was joking too, but I stood up and said, "Okay, home. All three of us."

First, I did a little striptease for the boys, so by the time I got them naked, their dicks were in full glory. Glen's is big but Tom's was something else, long, fat and engorged solid. I swooped on it greedily, telling Glen to join in however he wanted. But he stood there grinning, cock in hand, just watching for now.

Tom laid back on the rug. "Just rub your cunt all over me," he groaned. I obliged, fingering my clit, working a big slick of juices over his chest and belly, spending a couple of minutes writhing on his tongue so he could get me even wetter before I slithered back down.

Even as I straddled his prick, I was just grinding against it, giving his shaft and balls a hot cream shower. Then I got one of my own – Glen suddenly jizzed all over my arse. I didn't care, I had Tom's big hunk of cock to play with. But now he said he'd have that blowjob first. I felt so horny, but so frustrated too, as I backed down, pussy throbbing. First, I just tongued his hard-on all over, lapping up my cunt juice. Then I licked the pre-cum off of his tip, spreading it all over his helmet before taking it in my mouth.

He felt even bigger in there, veins pulsing as his big bulb pressed down on my tongue. He tasted salty and I felt the saliva pool and drip out the corners of my mouth. As I sucked him he started pumping in and out, grinding his hips so that every part of my mouth was stimulating him.

Glen wasn't quite hard again yet but he was working on it, kneeling behind me now to lick his own spunk from my crack and slit. I let out a little moan every time his tongue fucked in deep, then one big groan as he slid three fingers in me. Tom obviously thought he hadn't crammed my mouth full enough, and so started to fuck it even deeper.

Just as we got into a rhythm and I felt the pleasure really start to build, Glen pulled out his fingers, just to slide them upward and stick two of them in my arsehole. My pussy tightened in frustration, then flooded with juice as Glen sealed his mouth over my clit. The suction, and the fingers in my bum, quickly set me off cumming.

"You like that?" he breathed. I just asked him if he was hard yet.

He answered me directly, drawing his fingers out my bumhole, then slamming seven rigid inches in my cunt. As long as I was still sucking Tom he fucked me slowly, watching and waiting. It's hard for me to imagine more pleasure. One pole humping deep inside my pussy while another rubbed against my tongue, smooth and salty, all three of us so turned on.

It wasn't going to last a whole lot longer. I know cock and I could taste and feel that Tom was getting close to blowing his load. His balls felt like they were packed solid as I gave them just the gentlest squeeze, and that was all it took. I felt a hot splat at the back of my throat, then let him slide out slowly, creaming on my tongue before spunking the last of it on my tits as I massaged it out of his balls.

I moaned and swallowed loud to give Glen an added thrill, and then he powered into me, pounding me extra-hard to show Tom that I wouldn't be looking elsewhere for dick too often. I guess we put on a good show, because it wasn't long before Tom was hard again and ready to give my snatch a long, hard ploughing…

She might have to go into the big city for work (doing sex on camera, bit of feature dancing, that kind of thing), but Alexis Ford is a country girl at heart. Chances are that if there's a pasture or meadow near you, she's been naked in it. Scenes don't get any more bucolic than Alexis Ford with a daisy chain in her hair, a blade of straw dangling from her mouth, a butterfly alighting on her shoulder and her pink bits on public display. Well, if some sheep and a grazing cow can be called 'the public'.

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

NAOMI MEANS YES!

Geri and I were never exclusive but we kept our other girlfriends private. Then she met Naomi and seemed desperate to introduce us – and I soon found out why. She was one sexy, cunt-crazed girl.

Geri and I are both blonde, and Naomi has long, raven hair. After a couple of drinks we all got naked, and I finally got to see her magnificent tits – huge, natural globes with the biggest nipples I've ever seen. I dove my face between them, nuzzling the soft flesh, then lapped around her pink peaks. She'd brought a surprise for us both – a strap-on even Geri hadn't seen. But instead of fixing it over her crotch she wrapped it around her thigh, leaving her pussy exposed.

I sunk down on it, taking a little at a time before I was straddling it to the hilt. Naomi spread her legs, angling her clit against my thigh, mouth finding my nipple. My tits are big, though not as big as hers, but she got a good juicy mouthful.

Geri was fondling my arse cheeks, pulling them wide, running a spit-wet finger around the rim of my bumhole. As I squirmed I slipped free of the dildo, the head of it touching up against my crack. Geri grabbed it, then fed it slowly in my arse, hearing me whimper with pleasure as I lowered myself down slowly. Now Naomi was fingering my clit, making me cum instantly, multiple times.

I could feel her pussy, hot and sloppy against my leg. I squirmed my fingers inside of myself till I was all orgasmed out, then hoisted myself up, legs shaking, and got on my knees in front of Naomi.

While Geri went to fetch fresh toys, I got busy licking her friend. Naomi's twat lips matched her plump and beautiful boobs, firm and fleshy in my mouth. I sucked around them, teasing, then drove three fingers in her snatch, while clamping my mouth over her clit.

Geri came in to find Naomi wailing her pleasure, creaming in my mouth. For a while she just watched and did herself with one of her dildos – I heard the wet squelch as she pumped it in and out. Then she began to bang me from behind with it, holding a vibrator on my clit as well, until I was cumming just as hard as Naomi. Naomi said she wanted a taste of pussy too, so Geri pulled out the dildo and fed it in her mouth. I heard her slurp it and looked up in time to see her deepthroat the length of it. "So I fuck blokes too," she confessed once it slid back out – not that Geri and I are strangers to cock!

Now it was Geri's turn and both Naomi and I knew what she liked – to have her G-spot tickled. Normally, we'd use a vibrator on her clit, but this time it was going to be Naomi's tongue. I'd felt her flick and flutter it against my hard nipple, and just watching what she did with it to Geri's bud got my own cunt throbbing and juicing up.

Geri was already losing it, moaning and jerking her hips, when I slid two fingers in her pussy, finding her spot almost instantly. Now she went wild, Naomi having to steady her so that she didn't throw us all off of the sofa. I felt her start to cum around my fingers and I've never known her get so wet. The juices were flooding out of her twat, soaking my hand.

It wasn't until a minute later that she got me to stop and I slathered it all over her boobs. Then she dragged my hand back in between her legs, and Naomi and I sucked the sweet stuff off of her nipples.

Geri tells me Naomi's got a "total crush" on me and it won't be long before we all hook up again. This weekend, I'll be fucking Naomi, just the two of us – we've been talking dirty about it on the phone, and it's going be all about toys and arse-play. Geri's fine with it – she'll be out on the hunt for new pussy to share with us!

CUMMER HOLIDAY!

My boyfriend and I are totally monogamous in everyday life, but when we go on holiday, the deal is that we can sleep around all we like. We've got each other to fall back on if we don't get lucky, but so far that's never happened!

Last time, he hooked up with a female University student and I had a threesome with a fit couple. Stella and Harvey saw me eating dinner alone while my man was already M.I.A., and Stella asked if I'd like to join them. It's usually the woman who asks, but the trick is to look at the guy – if sex is on the cards, he'll always give it away!

We ended up in their room, with Stella and I doing a striptease, but when I saw the size of Harvey's dick, I asked if he could join in. I was at the centre of the fun, him fucking me while she settled her

cunt on my face. I've eaten lots of pussy and I sucked on hers with relish, swallowing down her juices as she frigged her own clit. And the big dick pumping away inside of my hole soon built up the right kind of friction. I made Stella climax first, then Harvey got me there, and I felt her fanny snap tight around my tongue again as I licked her deeper.

As she moved off my face – she couldn't handle any more licking right now – Harvey slammed in hard, and blew his load in my pussy. Then, suddenly, like he'd forgotten himself, he pulled out, wringing the last drops of jizz all over my shaved mound.

Stella leaned forward and began to scoop it out with her fingers, rubbing it on my clit so that she could lap it up as she licked me. Then she ate her way to my hole, fingers rolling and squeezing my clit. I was soon cumming, Harvey's spunk pouring out of me and straight into her mouth.

Next thing I knew, Harvey was in behind my head, playing with her arse and pussy as he stroked his dick stiff above me. Now I was getting eaten as he pushed into her plump, swollen folds, juices dripping out to splash me. He kept telling me what a sex-crazy bitch she was, how his cock never satisfied her – she always needed another serving of meat or a wet pussy to snack on. They'd been here a week and already got three girls and a man to join in their fun.

"Of course, you're the sexiest girl we've had," said Stella. I didn't believe her, but as long as she kept doing that to my pussy, I didn't care… I'm not even sure I believed Harvey – his wife was insatiable, but she seemed to like what he was doing with his dick. Even as he pulled out to give me a suck on it, she ground back onto his fingers. Then I grabbed hold of it, wanking it in and out of her cunt before he fucked her with his full length.

He loved my tan lines, and asked would I be okay with him emptying his balls on my pale tits. I said why not, and so he began to wank his moist prick up against them. They're small and natural, too little for a tit-fuck, but Stella sunk down on them, smothering them with pussy cream and then Harvey added to the big, sticky mess.

Then I played with my cunt while they sucked and licked me clean, starting to think maybe I was the sexiest girl of the week after all! They were both exhausted and shaky from cumming so hard, yet they couldn't keep their hands or mouths off of me.

When they flew home, I wondered would I finally spend a few days banging my boyfriend. But as I was dozing by the pool, sleeping off my farewell fuck-session with the couple, a big guy came and hit on me. It's impossible to hide a hard-on in swimming trunks, but he was hiding it in the depths of my cunt an hour later…

Is it just us, or does Zafira here look about 20 kinds of sultry? She's set her eyes to 'smoulder' and she's all set to burn up the page. We even explored the possiblity of printing this issue on special flame-retardant paper, but our boss just looked us at funnily, said no, and told us to fuck off out of his office. We think he'll come to regret it when stories begin to appear in the papers about *MensWorld* readers getting singed fingers. We're sure you can find your own 'no win/no fee' lawyer...

More vintage Jo, here proving that anything goes when it comes to hose. We're sure that even today's 'yout", who may not be aware of anything other than the tinny music they insist on playing out of their smartphones for the benefit of all of us, would want to beam back to the 90's having seen these pics of Jo in her prime. Recent news about particles that perhaps move faster than light hold out the remote possibility that we'll all be able to beam back one day, so we'll make sure we stock up on millions more photos of Jo, because we never tire of them, and we sure you don't either...

Someone has to say it: porn stars can go right off the boil. A few years of hard fucking and hard partying can really take its toll on a girl. Ashlynn Brooke, however, is clearly immune to the ravages of time. She's looking as good – if not better – than she was when she made her porn bow a few years ago. What's her secret?

"There's no huge secret," she tells us, "but I think doing a job you totally love all the time helps keep you young. I leave the house knowing that I'll be licking on a sweet pussy or sucking on a hard dick at some point, and there's nothing better than that!"

If Danielle Trixie really loves nerds – and she tells us she does, with a passion – then what finer magazine than *MensWorld* for her to be in? After all, our office meetings look like a *World of Warcraft* convention when all the cool people have left. And there aren't many of those.

"I love *Warcraft*, actually," Danielle reveals, steaming up the glasses of dorks everywhere, "although I'm more of a first person shooter girl. I like to get online and frag it out with the best of them. In fact, I've just got my copy of *Gears of War 3* and I plan to kick ass on that."

That sound you can hear is our poor, nerdish hearts singing...

SANDRA SHINE
& BLUE ANGEL

PHOTOGRAPHY: VLT

Sandra Shine, Blue Angel – and enough sexual energy to power China. The benefit of sexual energy, of course, is that it has zero carbon emissions. What we can't guarantee, however, is that there won't be other emissions as a result of seeing these pictures. Actually, we can guarantee that there will be – okay, already has been – emissions as a result of us seeing these pictures. We also can't say how stable this power source is. If the sex spirals out of control, there's always an outside chance that it'll explode. Okay, maybe we're talking about us again...

Straw Dogs

Freemantle Media Enterprises

Coinciding with its 40th anniversary, the notorious psychological thriller *Straw Dogs* has been remastered. The remake may have just been released (and stars Kate Bosworth…) but we say that you can't beat the original.

A young, blonde and very pretty Susan George stars along side Dustin Hoffman in a film that has created a bit of a cult legacy with viewers. It gives the sense in the beginning that it is a domestic drama, but then builds up to being an unforgettable psychological thriller.

For the few who don't know the plot, Hoffman plays a wimpy mathematician who flees with his wife Amy (George) to the peaceful countryside only to be tormented by the locals who he has hired as workmen at their property. The weirdness begins with David discovering their cat strangled and hanging by a light chain in their bedroom closet, and the film escalates to a violent and messy end, including an infamous scene of Amy being attacked, which meant some versions of the film were banned in England until 2002.

Most definitely worth watching, or re-watching as the case may be, not only for Dustin Hoffman in his brilliant role as the shy and retiring turned crazed-violent David Sumner, the disc also includes tons of special features and the acting throughout this classic is flawless.

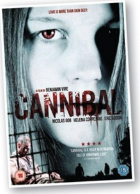
Matchbox Films

This thrilling gore fest opens with Max, an agoraphobic who lives alone in a cabin in the middle of nowhere. One night, he finds a beautiful unconscious woman, Bianca, played by the sexy French actress, Helena Coppejans, whose body is slicked with blood. As you do when you find a sexy, blood-covered, semi naked unconscious girl, Max takes her back to his and embarks on a 'romantic relationship' with her. Everything seems to be going pretty hunky dory until one night, when Bianca escapes and Max decides to follow her. He's pretty shocked to find her seducing men only to eat them alive while having sex. Yet this still doesn't seem to faze Max, who continues their relationship until one night when she's abducted and more shocking facts about both characters unfold.

As far as subtitled European horrors go, it's one of those 'does what it says on the tin' films and some major reasons to watch it, apart from the gory horror film promise of pretend cannibalism (the best kind), is some surprisingly brilliant acting from unknowns, a hot girl playing the lead character, and loads and loads of blood.



The Reduced History of Football

Prion

With football season well and truly back in full swing, there is no better time to have a look at this small but perfectly formed book. It claims to contain 'The most historic moments in the History of football History' and so should probably keep the most fanatical of football fans enthralled for, well, at least a couple of hours.

Starting at the very beginning, the 1100s to be precise, when football was just something people did whilst celebrating pancake day, it gives hundreds of facts and figures including match reports, as well as spoof correspondence and reminiscences from pundits, commentators, players, officials and spectators, in addition to notes on fruit-wielding fans, cup-winning vicars and a hat-eating commentator.

120 'minutes' worth of facts and figures makes this another one of those ideal toilet books, definitely perfect for any know-it-all football fan who hasn't quite yet had enough and would appreciate reading just a few more of the nutmegs, the tantrums, the penalty-shoot-outs and the downright weird moments in football, which will also provide them with plenty more anecdotes for down the pub next week. Tevez should have a chapter.

The Codgers Kama Sutra

Constable

Here at *Mensworld* we've often debated the pros and cons of getting with a slightly more mature lady. On one hand there's the experience and confidence, on the other hand why go for the mutton when you could go for the lamb, i.e. her daughter. But if you do have a thing for the older bird, this could be the perfect book for you and her to enjoy.

Whilst the original *Kama Sutra* was a spiritual text written in India almost two thousand years ago, going on to become the world's most respected guide book on all sexual matters and positions, and is now, according to good old Wikipedia, currently situated on top of the wardrobes or under the beds of over sixty percent of the world's teenage boys, this version is a tongue in cheek version full of 'sex tips' for the older generation.

Claiming to expose the secret world of oldies loving, it covers every aspect of senior sex, including sex positions, anatomy, mating rituals and even goes on to discuss post-sex heart condition medication and the affects it can have on one's sex life.

Quite a funny read, if you have the stomach for it, or do in fact need some insight in to how to please your older lady.

Kiara Diane

We're proud to say that the four cover girls for this film – Alexis Ford, Alexis Texas, Kiara Diana and Teagan Presley – have all graced *MensWorld* over the last few years. In fact, you can see Alexis on page 5 right now. But we're less proud to admit the debased things we did to ourselves while watching them perform in this cracker, which sees them joined by Briana Blaire, Ash Hollywood and a bunch of studs who put their dicks to their recommended use. All killer, no filler, although we're not sure about the male porn star here who has decided to call himself Bill Bailey.

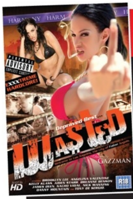
Wasted (Harmony)



Gazzman goes to America for this five scene fuck flick that adheres to all of Harmony's high standards. It's not as anal as much of their material, but with ridiculously hot girls like Angelina Valentina, Kelly Klass and Brooklyn Lee on board, it's a nice change of pace. The latter handles James Deen's dong with consummate ease, while Kelly gets her pussy pummelled by veteran stud Nacho Vidal, who still appears to have no balls to speak of. Fans of doms will love the way Aiden Starr uses a dick as a tool in her own private sex game, while the deeply fit Breanne Benson gets a twat-ful from UK export Danny Mountain. Lush.

Juices are flowing

With her classic sultry porn star looks, Raven Alexis has made a real impression in her appearances for Digital Playground in movies like *The Substitute* and *Delphi*. And when say 'made a real impression', we mean her sexual activities in front of a camera have proved to be a spur to masturbation – we're sure you'll agree that's the true test of a sex actress. She heads up this glossy but sexy affair, although its filthy French star Lou Charmelle's [pictured right] scene that is the real two-tissue affair. She's a trim hardbody perfectly at ease with a big one buried in any of her three holes, and deserves to be better known. In fact, we're angry we weren't aware of her already. Come for Alexis, but stay for Lou…

LEGENDS OF THE BALL!

Miles Long has marshalled a cast of legends, retirees on the comeback trail and babes about to quit the jizz biz for a star-packed fuckfest. Emma Edwards bears witness...

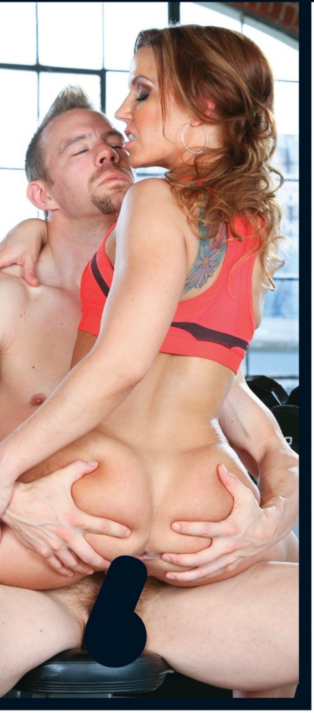
The Cougar Club 3

Starring: Briana Banks, Inari Vachs, Raylene, Dyanna Lauren, Alexandra Silk, Mark Wood, Erik Everhard, John Strong, Ramon Nomar, Pauly Harker

Directed By: Miles Long

Available From: Third Degree Films

Having a perfect understanding of the appeal that legendary porn stars have on the adult community, award-winning director Miles Long has scanned the country, personally handpicking some of porn's most beloved starlets from the past in his latest offering for Third Degree Films in *The Cougar Club 3*. Chock-full of some of the brightest stars ever to grace the adult landscape, including Inari Vachs, Briana Banks and Raylene, expect to be blown away with explosive bouts of hardcore sex by sexually skilled women who clearly know their way around the block. With expert blowjobs, killer anal sex and plenty of pussy ploughing positions, not a single stone is left unturned. The result is what cougar fans claw for, as each cat is quick to remind us that like fine wine, some women only



> “BRIANA ALLOWS MARK TO GORGE HIMSELF ON HER BOOBS”

get better with age. With the location house busting at the seams with top-notch sets and half-naked chicks as far as the eye can see, the only thing left for us to do is watch as the first set of panties hit the floor. You know what happens next!

Walking onto the first set, I’m immediately greeted with a warm smile and a squishy, tit-to-tit hug from Briana Banks. Trying desperately to shove her bulging DD rack into a black bra, Briana encounters tons of spillage as her big, porn star titties are too legit to quit! “Damn things,” she laughs, eventually bending over to allow the effects of gravity to help mold her melons into the black lacey cups. After a few more moments, success! Once situated, she continues dressing in a jail warden uniform, complete with a fully-stocked utility belt that loosely hangs around her slender hips. “Damn, I’m gonna bust some ass!” she teases, smacking the baton in her hand and spewing, “Who’s my cock for today?”

Happy as hell, Mark Wood, dressed in a traditional orange jumpsuit, makes his way behind the metal bars. With razor sharp intensity, Briana locks her blue eyes on Mark, instantly falling into character without the need for Long’s instruction. Taunting Mark from his jail cell, Briana squished her breasts against the cool metal, making sure that a bar lands beneath her monster cleavage. “Come closer, baby,” Mark salivates, anxious to wrap his lips around her puffy areolas, as she continues titty-fucking the bars.

Eager to comply with his kinky request, Briana rips her shirt open and allows Mark to gorge himself on her bazooka boobies. “Open your mouth wider,” she chugs, shoving as much of her breast meat into his mouth as possible. When heated up, she drops to her knees and yanks his pole through the bars for a little jailhouse cock. Maintaining a piecing gaze throughout, Briana easily shoves his wang to the back of

her throat, showing no signs of a gag reflex, as it slithers in and out. Coming up dripping wet, Briana smiles, "I think it's time that you had a conjugal visit." Game on!

Opening up the jail cell, Mark is momentarily a free man. Taking advantage of this golden opportunity to tear apart this blonde bombshell, Mark bends her over a stack of wooden crates and plunges her pussy with his pole in standing doggie. With her mile long legs stretched out wide, Briana's pussy reddens and plumps up like a vine ripened cherry, as she begins squawking her delight like a wild parrot. After a few more positions, Mark pulls out and blasts his prisoner pudding all over her store bought titties, setting an almost impossible standard for the others to follow.

Next, flying out to Los Angeles just to perform for Long, Inari Vachs looks better than ever. With a newfound sexual resurgence, a stronger fan base, and an even more rabid appetite for hardcore sex, the entire room waits with baited breath for Inari Vachs to explode. In time, she enters the room in a red workout top and black

"SHE RIDES HIS COCK LIKE A PROFESSIONAL JOCKEY"

shorts that barely cover her bubble butt. In a word, sensational!

Taking her place in the bustling gym setting, Inari Vachs sits on the weight bench doing arm curls and leg extensions when Erik Everhard enters. Looking delicious as her tan skin starts to glisten with sweat, Erik Everhard is quick to notice her. "Let me help you out with those," Erik purrs, eager to get his hands on her perfect body. "Let's just cut to the chase. Do you want to fuck?" she hurls, moving toward him like a jungle cat, practically removing his shorts with her claws. "Fuck yeah, he replies," flopping her tiny titties out of her shirt and gorging his mouth around her caramel colored nipples. Fully exploring each other's bodies, Inari is quick to fall to her knees to work his pole around her tonsils. "Fuck, you're good at that," he compliments, as his cock is repeatedly swallowed and slimed.

Eager to show her a good time, he spins her around and urges her to grab her ankles. When in place, Erik opens his mouth and devours her pussy and ass, getting both lubed for the porking that is to come. "Delicious," he moans, smacking her nectar across his lips like balm, as he continues to savour her salty flavours.

After giving up some hot vaginal action to Erik in cowgirl and doggie position, Inari dazzles the crowd by slamming his cock into her asshole in spoon and reverse cowgirl. Skillfully riding his cock like a professional jockey, Inari bangs his baloney pony to pop, blowing cum bubbles with his spunk as she glides off stage. "Damn, I think I'm in love," Long jokes, obviously quite pleased by Inari's star performance.

Retiring from the adult industry, Raylene graces Long, and us, with her farewell performance in the following encounter. Dressed in full army fatigues, she quickly gets to work on recruit, John Strong. Thoroughly enticed by the boner bulge in his pants, Raylene is ready to play hardball. "Drop to your knees and suck my pussy!" she demands, spreading herself open on the military cot to get her hairy muff fluffed. Diving right in, John yanks up tufts of her pubic hair with his teeth, later burying his mouth and nose deep inside of her meaty hole. With her boots securely wrapped around his neck, Raylene explodes with her first orgasm of the day… and it's a doosey!

Coming up with slit sauce decorating his face like silly string, John drops his pants around his ankles and rests on the cot. Crawling over to him, Raylene expertly splits the difference of Long's lens, filling half the frame with her cock stuffed mouth and the other with her thick ass that is bent over

in doggie position. "Let me suck on your balls," she later chugs, stuffing her cheeks like a chipmunk, as her hands continue spiraling around his shaft.

From here, the duo transition into a standing doggie that has Raylene's pussy and asshole fluffed out like twice-stuffed baked potatoes. Choosing to entice the camera head on, Raylene ends her scene in reverse cowgirl position, giving it her all, as her mommy mammaries quake and quiver across her chest and her pussy pops. Hot!

A rare treat indeed, Dyanna Lauren, a porn star that needs no introduction, is up next. Playing the sexy owner of country bar, Dyanna makes her way over to Ramon Nomar, the handsome guitarist of the house band. Working out the details of his new contract, Dyanna snuggles in close as he offers her a free lesson. Now sitting in his lap, Ramon begins to play a song, singing in Dyanna's ear while tickling her earlobe with his tender words. Completely lost in emotion, Dyanna tilts her head to the side and begins passionately kissing the Spanish crooner. "Take me," she purrs, pulling her floral blouse open, causing her big boobs to bounce inside of her pale lace bra.

With her denim cut-offs dangling around her ankles, Ramon goes in for the kill, tonguing and fingering her blonde bush with all of his concentration. Preciously sighing, Dyanna plucks the cowboy hat off his head and places it on her own, making for the perfect visual. Still in a perfectly spread position, Ramon holds her open at her ankles and drops his anchor in her pussy in missionary position. Clawing up the wooden stage below, Dyanna is obviously a fan of this position, rocking her hips underneath to get the maximum bang out of his bone.

Later, the action switches over to a velvet covered side bench where Ramon continues utilising Dyanna's beaver to its fullest potential in standing doggie. Practically foaming at the mouth, Dyanna is quick to lick up every last drop of Ramon's hot salsa once his juice is loose.

In the end, Alexandra Silk, a revered porn legend, is back in the saddle again after several years of being away from the porn industry. Specifically flying in for this monumental event, she glides into her retro-styled flight attendant's outfit and slick go-go boots. Slamming right into action, without missing a beat, Alexandra relies on her former muscle memory of being a dirty slut to begin her wild ride with Pauly Harker.

Bending and twisting in front of him when securing his luggage in the overhead compartment, Alexandra's body shows no visible signs of aging. "You're one hot piece of ass," he says under his breath, although loud enough for Alexandra to hear.

"DYANNA LICKS UP EVERY DROP OF RAMON'S SALSA"

As soon as the plane undergoes a bit of turbulence, Alexandra falls into his lap and immediately begins sucking his cock. Imagine that! Soon, the cabin fills with the suckling sound trailing from her mouth and the thumping of his feet as he stomps the floor below. Amazing vaginal positions quickly ensue before Alexandra decides to work the positions backwards, this time using her ass! As the final drop of semen hits her lips, Long thanks the girls for an amazing day on set.

Without a doubt, if you're a fan of porn legends and wish to take a walk down memory lane, run to get your hands on this sticky, little number. And while you're out, grab yourself a roll of super absorbent paper towels. Let's just say, with women this hot, you're gonna need 'em!

BEN TEN INCHES!

Whether I'm single, dating or in a relationship, one thing's beyond any doubt. I honestly can't last more than a couple of months without getting fucked. Most recently, I'd gone around six weeks between dates, so it was time to give up on any subtle moves. And when I got an opportunity, I literally seized it by the balls!

I was at a crowded shopping centre when some man jostled me. It was an accident but when I saw his fit arse, I deliberately dropped my shopping bags and yelled, "Oi!" Lucky for me – and him! – Ben was a gentleman. He apologised, and offered me a lift home. I flirted and he asked if I'd ever go out with a clumsy oaf like him, so I admitted the truth. "I think you owe me," he said, but payback came sooner than he expected.

A half-hour later, as he sat in my armchair enjoying a beer, I yanked his jeans down, springing his huge cock – the biggest I've ever had – so I could give it the same treatment. He soon forgot about his drink as he focused on my mouth around his helmet and his balls rolling between my palms. I swallowed, too – his jizz bubbled up and out to coat my tongue, and as I gulped it down I asked was I forgiven. "Not even close," he said, ready to take total advantage of me.

Like I objected! My cunt was dripping streams down my thighs as I squatted down, my drenched knickers just a wet string against my slit. I shimmied out of them, handed them to him, then went to straddle him. He had a little suck on my tits, then said to turn around. He wanted to see my arse. Then he pulled me down on him reverse cowgirl, making me squeal as his dick, now rigid again, surged into my wet cunt.

I bucked and gyrated on it, taking him deep, then pulling right off, only to cup his helmet and put it straight back in me again. He soon got tired of games and grabbed me around the hips, keeping himself deep inside of me. The fat prick thudding up into my cunt sent shockwaves through me, and as he began to play with my tits, I started to cum. He groaned, I felt him try to get back in control, and so I tightened my grip even more. Another arse-wiggle and he was done, spunk spurting out. And as I lifted up, I saw it gush out over his dick and balls.

He mopped it up with my soaked knickers, then rubbed it on my tits. He'd liked playing with my cheeks, and now it was two different globes getting all his attention. I frigged myself to another orgasm as he sucked on my nipples, then got on my knees in front of him, and slapped his thick prick in between them.

He let me take the lead, kneading my titflesh around it. Then he began to thrust, ramming in and out between them. His helmet was purple red, skin stretched and shiny as it plunged in and out the top of my cleavage. Thinking how good he'd felt and tasted in my mouth made me want to suck him all over again. But as I looked at the clear fluid seeping out his tip, I knew I wanted him to jizz all over my tits.

Almost as soon as I thought it, I felt his nuts bunch up against my chest, and then his spunk shot out like a white fountain

on my boobs. I let him finish, then felt it trickle down onto my tummy, before playing with it, feeling it stick as I shoved my tits together, and savouring his salty taste again.

I don't think I'm forgiven for my duplicity yet – Ben says I've got a lot of fucking to do first. Not that spunk-showers and non-stop orgasms are really the best way to make me see the error of my ways!

Sandy, Morley

ANDIE

PHOTOS: SAGE STYLE

Andie Valentino doesn't skimp when it comes to seduction. Not for her a simple pair of white panties, or a tatty bra that doesn't even fit properly. No, when it comes to setting the mood with what she wears, Andie goes all out.

"Oh, I'm a huge lingerie fanatic," she confesses. "The process of putting it all on, of peeling the stockings up my legs, gets me warmed up. Especially when I know I'll be peeling it all off again later."

But does it work?

"Have a look at these pictures! It never fails..."
